## Awesome Alumni

**Felix Duran**  
**Class of 2000**

**Wanted to be 'when I grow up':** I wanted to use my college degree and work in a reputable business industry.

**Became 'when I grew up':** Even though I used my degree to become managers of different businesses, I still had a passion for sports. I decided that I wanted to pursue this career and become a teacher and a coach.

**Current Job/City:** Teacher/Coach in Yoakum, Texas

**University/Degree/Number of Yrs:** Angelo State University/ Business Administration/2000-04; Currently will finish Master's of Educational Administration in the Fall of 2014

**Words of Wisdom:** Enjoy your high school years. These moments will be talked about for a long time. Also, make smart decisions. Consequences from these decisions can affect your life for many years as well. And last, make as many friends as possible. You never know when you will need a friend with a certain connection or particular trait.

**Greatest Influence While at SEHS:** Mr. Gene Gaston, Coach Rick Hullet, Coach Kent Bode & Coach Brandon Smith

**Best Part of Attending SEHS:** I always like telling others that I grew up in Earth. They look at me funny and often times say, "I did too!" However, I always seem to run into somebody that either has a distant relative that is from Earth or knew somebody that graduated from SE. This leads to some pretty interesting stories.
