Wanted to be 'when I grow up': Cropduster

Became 'when I grew up': Cropduster

Current Job/City: Cropdusting Pilot, B & W Aerial Spray/Dimmitt

University/Degree/Number of Yrs: Texas A & M University/Agricultural Systems Management/4 yrs.

Words of Wisdom: The most inspiring words of wisdom given to me were “work hard, save your money, and do your own thinking”. I would add to that, if you set your mind to do something or be something, then do it. Don't settle for something that you don't enjoy getting up to do every day.

Greatest Influence While at SEHS: I would say former SE students like Brent & Blake Coker, Mark & Ryan Haberer, Quade & Chance Furr, Slade Quisenberry, Greg Brownd, and my teachers, especially Mr. Alan Been, all were great influences for me.

Best Part of Being SEHS Grad: The friends and memories I made at SE are the best parts of being a SE Grad. Also, SE offers countless opportunities for students if you are involved, and it opened many doors for me.

Great People FROM SE ISD!
