Wanted to be 'when I grow up': Physical Therapist

Became 'when I grew up': Physical Therapist; Pastor

Current Job/City: Pastor of Aldersgate Church/Lubbock

University/Degree/Number of Yrs: Texas Tech University Health Sciences Center/Master of Physical Therapy/1997; Theological Seminary/Master of Divinity Words of Wisdom/2009

Words of Wisdom: Be who God created you to be. Chase after Him and the plans He has for you!

Greatest Influence While at SEHS: I was fortunate to attend SE kindergarten through 12th grade and was incredibly blessed to have great teachers, coaches, and administrators. I didn't realize how blessed I really was until years after graduating.

Best Part of Being SEHS Grad: I love hearing or reading about the continued success of SE. I also love the connection with those who attended SE. It's a small place but lots of connections -- I'm always running into someone who "knows someone" from SE!
