S-E ISD Basketball Guidelines 2020/2021

In accordance with Executive Order GA-29 All spectators must wear face masks and self-assess for COVID-19 symptoms prior to entering S-E facilities. Should you have any COVID-19 symptoms, for the safety of others DO NOT enter the facilities.

Home and Visitor Fans: UIL has limited seating to 50% capacity. At 50 % capacity our visitors' bleachers will accommodate 55 fans and our home side bleachers will hold 138 fans. Parents will be given priority seating. Please limit family size to allow others to watch the game. If seating capacity limits are met or exceeded, it may become necessary to clear the gym between games. If we need to clear the gym, parents will be given first priority to seats.

Parents of basketball players will be provided two home season passes. These passes may be used at the parents' discretion to purchase home tickets. Any remaining tickets will be distributed on a first come basis. **Visiting teams will be issued 55 vouchers that may be used to purchase tickets. No pre-sale of visitors' tickets.**

Fans and guests will be required to wear masks upon entry and exit of the gymnasium and any time you are moving about the gymnasium or are within six feet of a non-family member. Any guests/fans not exercising social distancing guidelines may be asked to leave the facility. For purposes of gymnasium seating, a "family" is to be members living under the same roof.

No fans or guests will be allowed in the gymnasium before or after the game. Admittance to gym will open 20 minutes prior to game time. Fans and guests must leave the facility immediately upon completion of the game and must not congregate in the hallways, foyer and any other areas. Spectators will not be permitted on the Court at any time prior to, during, or after the game.

Basketball players will proceed directly to the locker room after the game and players must leave the premises upon exiting the locker room. **Visiting teams must provide their own basketballs for warm-ups.**

No unaccompanied children (8th grade and under) will be allowed into the gymnasium – children must attend the game with parent or adult guardian and have a ticket. No children will be allowed to play in the concession stand area or the bleachers - they must be seated in the stands with family.

Players participating in the next game will have a section of bleachers marked off specifically for them. Players with siblings in other games will be given priority. Facemasks are required. (Example: Girls are playing and boy athletes are sitting in the bleachers.)

No district passes accepted

Admission Price:	Varsity	Adults \$4	Students \$2
	Sub Varsity	Adults \$3	Students \$2

We greatly appreciate your support in helping our students, community, and our neighbors to stay safe. With your help and full cooperation, we can all have a great season. If you have Any questions or concerns, please contact Dr. Denver Crum (Superintendent) 806-257-3310 or Cindy Furr (Principal) 806-257-3819.
