Bud McIver — Jr. High/Elementary Principal

---

June 27, 2020

Dear Wolverine Family:

The district was informed this morning, June 27, 2020 of our first confirmed student COVID-19 case. This family is in quarantine and they are following Department of State Health services recommendations. As a precaution, the district will suspend all summer workouts for the next week as we seek to determine if there was any potential exposure.

As a reminder, COVID-19 Symptoms may appear **2-14 days after exposure to the virus**. The most common COVID-19 symptoms are listed below:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

In addition, the CDC link below provides further information and a COVID-19 self-test.

<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

Social distancing and frequent hand washing remain the most effective deterrents to the spread of COVID-19.

The district will continue to monitor this situation and follow Department of State Health service recommendations. Our school district will do everything within our ability to ensure the safety and health of our students, staff, and community.

Thank you for your support and for doing your part to keep our school and community safe.

Respectfully,  
Denver Crum, Ed. D,  
Superintendent  
Springlake-Earth ISD
