

Springlake-Earth Independent School District

**Acknowledgement of Receipt of
Student Code of Conduct and Student Handbook**

Parents/guardians must acknowledge receipt of the Student Code of Conduct and the consequences to students who violate District disciplinary policy. Parents/guardians should also let the District know, within 10 days of receipt of the handbook, if they object to the release of "directory information" on their child(ren).

Regarding student records, I understand that certain information about my child is considered directory information. Directory information includes student's name, address, telephone number, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, awards received in school, and most recent school attended. Directory information may be released by the District to anyone who requests it unless I object to the release of any or all of this information within ten school days of the time this handbook was issued to my child. I have marked through those types of directory information listed above that I wish the District to withhold.

I understand and consent to the responsibilities outlined in the District's Student Code of Conduct. I also understand and agree that my student shall be held accountable for the behavior and consequences outlined in the Student Code of Conduct at school and at school-sponsored and school-related activities, including school-sponsored travel, and for any school-related misconduct, regardless of time or location. I understand that any student who violates the Student Code of Conduct shall be subject to disciplinary action, up to and including referral for criminal prosecution for violations of law.

I understand this Code is not a contract and can be amended by the District at any time. However, any change or amendment to the Code will be approved by the Board of Trustees. Teachers and principals may impose campus or classroom rules in addition to those found in the student Code of Conduct. These rules may be posted in classrooms or given to the student and may or may not also constitute violations of the Student Code of Conduct. I also understand that Parents will not necessarily be informed of classroom infractions, but will be informed of any Code of Conduct violation.
