

Vision Statement Here

. Our vision at Springlake-Earth ISD is three-fold:

First, we want everybody who is or has been associated with the school in any way to join us with great pride in claiming the school as **OUR SCHOOL**. Second, we want that pride to come as a result of the good things that are happening because of **OUR CHOICES** that are driven by high expectations, coupled with disciplined, hard work. Third, we want everybody to understand that the goal-driven choices made by disciplined people who exhibit high levels of character make a direct impact on **OUR FUTURE**

Thus, the Springlake-Earth ISD vision can be summarized as:

OUR SCHOOL

OUR CHOICES

OUR FUTURE

Campus Ratings

Campus ratings are determined by the majority of the indicator ratings earned. In the event that two ratings are equal, the campus rating will be the higher of the two.

Fine Arts

The Fine Arts indicator focuses on opportunities for students to showcase their work, to participate and compete in performances, and to learn about cultures through speakers and professional performers.

Wellness and Physical Education

The Wellness and Physical Education indicator focuses on nutrition and daily activity for our students and staff.
