

Honeywell Registration for Parents

Log in to <https://instantalert.honeywell.com/InstantAlert/Login.aspx>

The screenshot shows a Microsoft Internet Explorer browser window displaying the Honeywell Instant Alert for Schools login page. The browser's address bar shows the URL <https://instantalert.honeywell.com/InstantAlert/Login.aspx>. The page features a blue header with the Honeywell logo and the text "Instant Alert® for Schools". Below the header, there is a navigation menu with "Parent" and "School Staff" links. The main content area includes a "User Login" section with input fields for "User Name:" and "Password:", and buttons for "LOGIN" and "Forgot Password". A "New User? Sign up now!" section is also present, with a "Parent" link highlighted. A "HELPFUL HINTS:" section provides instructions on password sensitivity, password recovery, and system requirements. A "Notice:" section mentions a scheduled maintenance period. The browser's taskbar at the bottom shows several open applications, including "start", "Inbox - Microsoft...", "Instant Alert Logi...", "RSCCC Login - [R...", "RSCCC Registratio...", and "Document1 - Micro...". The system clock in the bottom right corner indicates the time is 1:51 PM.

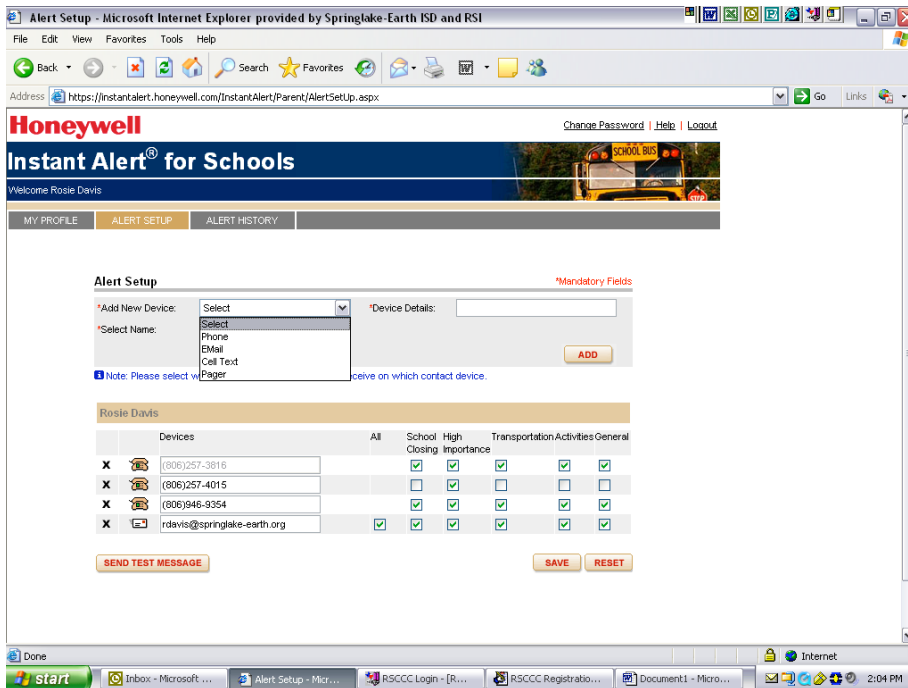

If you had a password provided in your letter, log in to User Login.

If you did not have a password go to New User? Sign up now under Parent. You will enter the state and school district, your child's name, and birthdate.

After filling in, press submit. You will go to a screen where you will choose “alert setup”

Here you will choose how you will be notified, add phones, emails, grandparents, etc. You can also choose which alerts will go where. Check appropriate boxes to send alerts or choose not to receive alerts.

Send yourself a test message to make sure your alerts are scheduled as you wish.

Thank you for your participation.
If you have any questions, please call the school.
