Acknowledgement

I acknowledge access to the Student Handbook, Drug Testing Policy, Grading Policy, Computer Use Policy, and the Student Code of Conduct and the consequences to students who violate District disciplinary policy. The handbook is located on the school website. [www.springlake-earth.org] I will contact the superintendent's or principals' office if I would like to have a hard copy or CD of the Student Handbook. Regarding students records, I understand that certain information about my child is considered directory information. Directory information includes student's name, address, telephone number, date and place of birth, participation in officially recognized activities and sports, weight and height of member of athletic teams, dates of attendance, awards received in school, and most recent school attended. Directory information may be released by the District to anyone who requests it, unless I object to the release of any or all of this information on my child by September 1of the current school year. I understand and consent to the responsibilities outlined in the District's Student Code of Conduct. I also understand and agree that my student shall be held accountable for the behavior and consequences outlined in the Student Code of Conduct at school and at school sponsored/related activities, including school sponsored travel, and for any school related misconduct, regardless of time or location. I understand that any student who violates the Student Code of Conduct shall be subject to disciplinary action, up to and including referral for criminal prosecution for violations of law. I understand this handbook is not a contract and can be amended by the District at any time. However, any change or amendment to the document will be approved by the Board of Trustees. Teachers and principals may impose campus or classroom rules in addition to those found in the Student Code of Conduct. These rules may be posted in classrooms or given to the student and may or may not also constitute violations of the Student Code of Conduct. I also understand that parents will not necessarily be informed of classroom infractions but will be informed of any Code of Conduct violation.

- o I acknowledge receipt of Student Handbook and Student Code of Conduct.

Springlake-Earth ISD - STUDENT AGREEMENT FOR ACCEPTABLE USE OF THE DISTRICT'S TECHNOLOGY RESOURCES

You are being given access to the District's technology resources, meaning electronic communication systems and electronic equipment. With this educational opportunity comes responsibility. It is important that you read the applicable District policy, administrative regulations, and agreement form. Inappropriate use of the District's technology resources may result in suspension or revocation of the privilege to use these resources and may result in suspension or revocation of the privilege to use this educational tool, as well as other disciplinary or legal action, in accordance with the Student Code of Conduct and applicable laws.

As a user of the District's technology resources, you will be able to access:

An unlimited number of databases, libraries, and resources; The Internet and other electronic information systems/networks, which can be used to communicate with schools, colleges, organizations, and individuals around the world; and Shared electronic equipment, which may have stored temporary Internet and electronic files of other users.

Please note that the Internet is a network of many types of communication and information networks. It is possible that you may run across areas of adult content and some material you (or your parents) might find objectionable. While the District will use filtering technology to restrict access to such material, it is not possible to absolutely prevent such access. It will be your responsibility to follow the rules for appropriate use. If you are being issued a District technology device, you will be given additional materials addressing the proper use, care, and return of these devices.

RULES FOR APPROPRIATE USE

You will be assigned an individual account for hardware and Internet access, and you are responsible for not sharing the password for that account with others. The account is to be used mainly for educational purposes, but some limited personal use is permitted. You will be held responsible at all times for the proper use of your account, and the District may suspend or revoke your access if you violate the rules.

INAPPROPRIATE USES

- Using the resources for any illegal purpose.
- Damaging electronic communication systems or electronic equipment, including knowingly or intentionally introducing a virus to a device or network, or not taking proper security steps to prevent a device or network from becoming vulnerable.
- Disabling or attempting to disable any Internet filtering device.
- Encrypting communications to avoid security review.
- Using inappropriate language such as swear words, vulgarity, ethnic or racial slurs, and any other inflammatory language.
- Pretending to be someone else when posting, transmitting, or receiving messages.
- Posting personal information about yourself or others, such as addresses and phone numbers. Responding to requests for personally identifying information or contact from unknown individuals.
- You must report any requests for personally identifying information or contact from un-known individuals, as well as any content or communication that is abusive, obscene, pornographic, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal to a supervising teacher or the technology coordinator.
- Gaining unauthorized access to restricted information or resources.

CONSEQUENCES FOR INAPPROPRIATE USE: Revocation of the account or other disciplinary or legal action, in accordance with the Student Code of Conduct and applicable laws.

REPORTING VIOLATIONS: You must immediately report any known violation of the District's applicable policies, Internet safety plan, or acceptable use guidelines to a supervising teacher or the technology coordinator.

After reading the above information, please choose one of the following.

- I give permission for my child to access the District's technology resources and certify that the information contained on this form is correct.
- I do not give permission for my child to access the District's technology resources.

Corporal Punishment

Corporal Punishment Acknowledgement Form Corporal Punishment may be used as a discipline management technique to preserve an effective educational environment free of disruption. Corporal Punishment shall be administered in accordance with District Policy FO (LOCAL) and shall be limited to spanking or paddling. Corporal Punishment shall be administered by a school administrator or designee, will only be administered in the presence of at least one other district employee, and will occur in a designated place out of the view of other students.

Parents who elect to allow the district to administer corporal punishment as a disciplinary management option will be notified prior to any administration of corporal punishment. Parents will provide the district with at least two phone numbers at which they can be reached at all times.

Parents who chose not to allow corporal punishment as a disciplinary management technique agree to immediately pick up their child when contacted by district staff. Please be advised that if district administrators determine suspension is the appropriate disciplinary technique to be utilized in lieu of corporal punishment the following consequences will occur:

1. I have read the information in the Student Code of Conduct on the use of corporal punishment in the Springlake-Earth Independent School District. Students suspended from school are not permitted on campus or any school-related activities during the suspension, including after school activities on the final day of suspension.
2. Each day of out-of-school suspension requires four days of after school tutorials for makeup work. A typical three day suspension requires 12 days of after school tutorials.
3. Parent is responsible for picking up his/her child at 4:30 pm on each day of after school tutorials.

I have read the information in the Student Code of Conduct on the use of corporal punishment in the Springlake-Earth Independent School District. ***Parents agree to promptly contact the school with updates to contact numbers in the event of any changes.**

After reading the above information, please choose one of the following.

- I request that corporal punishment be administered if necessary as a disciplinary management technique.
- I request that corporal punishment NOT be administered as discipline management technique and that other discipline management techniques be utilized in lieu of corporal punishment.

MEDICINE AT SCHOOL

Medication that must be administered to a student during school hours must be provided by the student's parent. All medication, whether prescription or nonprescription, must be kept in the nurses' office and administered by the nurse or another authorized district employee, unless the student is authorized to possess his or her own medication because of asthma or a severe allergy as described below or as otherwise allowed by law.

District employees will not give a student prescription medication, nonprescription medication, herbal substances, anabolic steroids, or dietary supplements with the following exceptions:

- Only authorized employees, in accordance with policy FFAC, may administer:
 - Prescription medication, in the original, properly labeled container, provided by the parent or legal guardian, along with a written request.
 - Prescription medication from a properly labeled unit dosage container filled by a registered nurse or another qualified district employee from the original, properly labeled container.
 - Nonprescription medication, in the original, properly labeled container, provided by the parent, along with a written request.
 - Herbal or dietary supplements provided by the parent only if it is required by the student's individualized education program (IEP) or Section 504 plan for a student with disabilities.
- In certain emergency situation, for which the District will maintain and administer to student nonprescription medication, but only:
 - In accordance with the guidelines developed with the District's medical advisor and
 - When the parent has previously provided written consent to emergency treatment on the district's form.
- A student with asthma or severe allergic reaction (anaphylaxis) may be permitted to possess and use prescribed asthma or anaphylaxis medication at school or school-related events only if he or she has written authorization from his or her parent and a physician or other licensed health-care provider. The student must also demonstrate to his or her physician or health-care provider and to the school nurse the ability to use the prescribed medication, including any device required to administer the medication. If the student has been prescribed asthma or anaphylaxis medication for use during the school day, the student and parents should discuss this with the school nurse or principal. For further information, see policies at FFAC.

In accordance with a student's individual health plan for management of diabetes, a student with diabetes will be permitted to possess and use monitoring and treatment supplies and equipment while at school or at a school-related activity. See the school nurse or principal for information. [See policy FFAF(LEGAL).]

Student Drug Testing Consent Form

Participation in school sponsored extra-curricular activities at the Springlake-Earth ISD is a privilege. Activity Students carry a responsibility to themselves, their fellow students, their parents, and their school to set the highest possible examples of conduct, which includes avoiding the use or possession of illegal drugs.

Drug use of any kind is incompatible with participation in extra-curricular activities on behalf of the Springlake-Earth ISD. For the Safety Health, and wellbeing of the student of the Springlake-Earth ISD, the Springlake-Earth ISD has adopted the attached Activity Student Drug Testing Policy and the Student Drug Testing Consent for use by all participating students in grades 6-12.

Each Activity Student shall be provided with a copy of the Activity Student Drug Testing Policy and Student Drug Testing Consent (located online at www.springlake-earth.org) which shall be read, signed and dated by the parent or custodial guardian before such student shall be eligible to practice or participate in any interscholastic activities. The consent shall be to provide a urine sample: A) as part of their annual physical or for eligibility for participation; b) as chosen by the random selection basis; and c) at any time requested based on reasonable suspicion to be tested for illegal or performance-enhancing drugs. No student shall be allowed to practice or participate in any activity governed by the policy unless the student has agreed to the Student Drug Testing Consent.

Please choose one of the following options after reading the following text.

We have read and understand the Springlake-Earth ISD "Activity Student Drug Testing Policy" and "Student Drug Testing Consent." We desire that the student named at the beginning of this form participate in the extra-curricular interscholastic programs of the Springlake-Earth ISD and we hereby voluntarily agree to be subject to its terms. We accept the method of obtaining urine samples, testing and analysis of such specimens, and all other aspects of the program. We further agree and consent to the disclosure of the sampling, testing and results as provided in this program.

- I agree
- I do not agree
- My child is not in the 6th – 12th grade.
