

CONTRACT FOR INTER-DISTRICT STUDENT TRANSFERS

SPRINGLAKE-EARTH INDEPENDENT SCHOOL DISTRICT

Students who transfer to Springlake-Earth ISD while residing in other school districts are subject to certain conditions. Inter-district transfers are a privilege granted by the receiving district, and not a right of students living outside of the district. Springlake-Earth ISD retains the right to accept or reject any and all transfer applications, based on an individual evaluation of:

- Grades
- TAKS and/or other standardized test scores
- Attendance
- Discipline infractions
- Potential adverse effect of the transfer on the ethnic make-up of the district
- Potential adverse effect of the transfer on the financial well being of the district

Student transfers may be revoked during the school year should any of the following situations occur:

- Attendance falls below 92% during any semester (barring extenuating circumstances)
- Student has chronic zeros and/or failing grades in any class
- Chronic minor violations of the Student Code of Conduct
- Any major violation of the Student Code of Conduct
- Repeated dress code violations
- Any gang related activity
- Other behavior, which results in hindering the learning of other students
- Any falsification or misrepresentation of data on school records

Should any of these behaviors occur, the campus principal will determine the future status of the student's transfer. If the transfer is revoked, the parent, and the district of the student's residence will be notified, and the student will be re-enrolled in the home district or another district of the parent/guardian's choice immediately. If the student and/or parent disagree with the decision of the principal, procedures in FNG (Local) will be followed.
