2019 Significant Disproportionality Threshold: >2.5

For detailed information on the indicators above, see the [2019 Results Driven Accountability Manual](#)

Districts designated as SD (YEAR 1) or SD (YEAR 2) in the Performance Level (PL) column are only for information and planning purposes.

If a district's risk ratio did not exceed the established SD threshold or a district did not meet minimum size requirement for the applicable SD indicator, then the PL column is blank for that indicator.

2019 Significant Disproportionality Threshold: >2.5

For detailed information on the indicators above, see the [2019 Results Driven Accountability Manual](#)

Districts designated as SD (YEAR 1) or SD (YEAR 2) in the Performance Level (PL) column are only for information and planning purposes.

If a district's risk ratio did not exceed the established SD threshold or a district did not meet minimum size requirement for the applicable SD indicator, then the PL column is blank for that indicator.
